## Over The Hills

Quote: "I am absolutely convinced that if breathing wasn't involuntary, some people would just plain suffocate." Anon.

**Points to Ponder:**

\* If you plant honesty, you will reap trust

\* If you plant goodness, you will reap friends

\* If you plant humility, you will reap greatness

\* If you plant perseverance, you will reap contentment

\* If you plant consideration, you will reap perspective

\* If you plant hard work, you will reap success

\* If you plant forgiveness, you will reap reconciliation

So, be careful what you plant now; it will determine what you will reap later. Think about this for a minute....

This is a test to see who your real friends are or if you are just someone to talk to you when they are bored.

\* If I happened to show up on your door step crying, would you care?

\* If I called you and asked you to pick me up because something happened, would you come?

\* If I had one day left to live my life, would you be part of that last day? If I needed a shoulder to cry on, would you give me yours?

Do you know what the relationship is between your two eyes? They blink together, they move together, they cry together, they see things together, and they sleep together,

but they never see each other; ....that's what friendship is.. Your aspiration is your motivation, your motivation is your belief, your belief is your peace, your peace is your target, your target is heaven, and life is like hard core torture without it.

Friendship and peace are also important parts of your garden.

### THE SEED CATALOG

Have you ever thought of the Bible  
As a gigantic seed catalog,  
One full of fruits of the spirit,  
Vining branches, and fire proof logs?

You can help spread the seed,  
Some may fall on unfertile ground,  
While other seed fall on listening ears  
That grasp the truth and growth abounds.

Some seeds take years to germinate  
While others spring forth like weeds,  
Each has its given purpose here  
And the harvest goes back to the seed.

There are those who will twist the plant  
And make it spurn its true way,  
While others nurture and tend the seed  
Helping it grow as a sturdy plant today.

Some of us are sowers of the seed,  
Others tend it along life's road,  
Some harvest the crop of the plant,  
It doesn't matter who harvested, tended, or sowed.

Just remember as you read your Bible  
That God has filled it with good seed.  
Be vigilant as you sow them  
And pray that others will heed.
