Quote: "Ask the Lord to help you see yourself and your world through His eyes today."

David McCasland

It's a good thing that God does not judge us according to pedigree, color, or conformation. We would all be failing in one area or another or maybe all of them in that case. Praise God for His wisdom in our lives, for our differences and our similarities, and most of all for the Saving Blood of His Son, Jesus Christ. When I am sad, He gives me comfort. When I am in trouble, He delivers me. When I am scared, He takes away my fears. When I am alone, He is right there with me. I owe everything to Jesus, my Lord and Savior.

The road to success is not straight. There is a curb called Failure - a loop called Confusion - speed bumps called Friends - red lights called Enemies - caution lights called Family - You will

have flats called jobs - But; if you have a spare called Determination - an engine called Perseverance - insurance called Faith - & a driver called Jesus - you will make it to a place called Success!!

Blessings Receivable

There are blessings receivable,
I'm sure they are out there.
They just need the recipient
To release them for my share.

When someone does a favor
Or bestows on you a gift,
Do you thank God for the blessing
Or do you feel guilty and let it set?

You may well be denying a blessing
To the person on the other end
And they may need the encouragement
That their share of blessing sends.

So, thank God for that blessing,
Enjoy each and every part,
Don't begrudge the other party
Of the blessing they did start.
