There comes a time in life when you walk away from all the pointless drama and people who create it, and surround yourself with people who make you laugh so hard that you forget the bad and focus on the good. Life is too short to be anything but happy.

Now for something just for fun.

FARCICAL

Justice sometimes seems a farce
And leaves one wondering who's the arse
"Cause human frailty gets in the way
And leaves truth out of earthly say.

Frustration and headaches will abound
If you don't look beyond this current round
And keep your eyes on what's beyond
This veil of tears and earthly bond.

If you don't focus on the Christ
Then nothing will be worth the price
That you ultimately will pay
When comes your turn at Judgment Day!

For Christ the Intercessor sits with the
Great Judge
And will not look upon those not covered by
His blood
Who will then be cast away
Into eternal hell fire on that day.

No one should suffer such a fate
But most of us would at our own rate
So turn to Jesus while you can
For He is the only hope for any man.
