The grant was submitted in October of 2021 and upon approval, local veterans of both posts began demolition work in early 2022. Donations were also received from community members to complete the \$95,000 project.

Renovation included upgrading cabinets, a new sink and counter tops, lighting, electrical and flooring.

Veterans are sponsoring a "Veteran's Tribute" gator raffle and proceeds will go towards additional improvements to the building.

Tickets are \$50.00 each and may be purchased by contacting Dan Kramer, Richard Cook, or any post member.

You do not need to be present to win. The drawing will take place December 7, 2023.

Donations will go to-

wards tuck-pointing and work on the mural on the south side of the building.

The V.F.W. Auxiliary Unit #8258 will be using the kitchen to prepare and serve their annual Veterans Day soup supper and will be taking over the Logan County Government Day lunch after the disbandment of the American Legion Auxiliary.
