Thoughts To Ponder

1. If money doesn't grow on trees then why do banks have branches?
2. Why are the little Styrofoam pieces called peanuts?
3. Why does the Easter bunny carry eggs? Rabbits don't lay eggs.
4. Why does caregiver and caretaker mean the same thing?
5. Can a short person "talk down" to a taller person?
6. If a bald person works as a chef at a restaurant, do they have to wear a hairnet?
7. Do prison buses have emergency exits?
8. Do astronauts change their clocks when they move over different time zones in space?
9. When lightning strikes the ocean why

don't all the fish die? tack should they save

FARCICAL

Justice sometimes seems a farce
And leaves one wondering who's the arse
'Cause human frailty gets in the way
And leaves truth out of earthly say.

Frustration and headaches will abound
If you don't look beyond this current round
And keep your eyes on what's beyond
This veil of tears and earthly bond.

If you don't focus on the Christ
Then nothing will be worth the price
That you ultimately will pay
When comes your turn at Judgment Day!

For Christ the Intercessor sits with the
Great Judge
And will not look upon those not covered
by His blood
Who will then be cast away
Into eternal hell fire on that day.

No one should suffer such a fate
But most of us would at our own rate
So turn to Jesus while you can
For He is the only hope for any man.
