

Hitting the trail for Veterans

Ideal weather conditions and the scenic Sandhills made for a successful fund raiser for Stapleton V.F.W. Post 8258 and American Legion Post 324. Organizer Carol Clark said 24 riders saddled up Saturday, September 9 with proceeds of approximately \$1,000 going into the building fund for the Veteran’s Memorial Building in Stapleton.

Riley Licking and kids and Don Licking were the trail bosses for the 14-mile ride north of Stapleton on Highway 83 near the Dismal River.

The registration fee of \$50.00 per rider included a sack lunch and water on the trail and a hamburger and hot dog meal

prepared and served at the Vet’s Club that evening. Additional people attend the meal and gave additional donations.

“I would really like to make this an annual event,” Carol Clark said. “We had positive comments and we have al-

ready started looking at different trails. I wouldn’t have been able to give the Veterans this kind of donation so it was wonderful to see everyone coming together to make this possible. Be watching for a potential ride next year and until then happy trails.”
