Free Halsey Community Library

SANDHILLS PUBLIC SCHOOLS

During the 2022-23 school year some of our Sandhills High School Ag students built a “Little Free Library” for the Village of Halsey community. The money for the project came from the Loup 2 Loup Open Road Race. The Ag students designed and constructed the library and had some help with the painting from the Sandhills art students. It is hoped that the community enjoys the Little Free Library located at the old gas station in Halsey. Pictured above showing off some of the books are l-r: Charlsie Teahon, Rhett McFadden and Emily Chavez.
